Course Information	Class No.	TBA	Course Code	ENG2029	Credits	3
	Course Name	Global English				
	Lecture Schedule	Mon-Thu /				
	Course Description	<ul style="list-style-type: none"> • Gain new knowledge of English [American and British] cultural aspects through media and film in a fun immersion class. • This is an English immersion course that will combine film and media related <u>authentic material</u> to enhance listening, comprehension, speaking and discussion skill sets. • Class will consist of English speaking/discussion, listening, blank fills, authentic formal and colloquial vocabulary and cultural competence exposure. • Using authentic materials this class will <u>improve cultural competence/understanding</u> while also combining listening and speaking to develop fluency and accuracy. • This course will be taught in an English immersive environment. We will examine video clips from popular American and British sitcoms and movies to build vocabulary, exposing ourselves to authentic dialogue, practice discourse and develop listening proficiency. • English media is normally aimed at native English language speakers so don't worry if you don't understand everything, this is natural. <p>Media often includes difficult words, ideas, culturally specific expressions, idioms, colloquiums and many more things. If the program you're watching is full of unknown words, just focus and concentrate on understanding the general meaning - the gist. Keep a note of programs and presenters that you find easy to understand and try to watch them regularly.</p>				

		Doing this will increase your confidence and give you a sense of native-like authentic exposure that builds up over time.		
	Course Objective	<p>*Focus on authentic English multimedia materials and cultural competence *Enhance listening, comprehension, speaking and discussion skill sets.</p> <p>At the end of the course students should</p> <ul style="list-style-type: none"> •Gain confidence in English listening, reading, and speaking skills through an English immersive classroom environment. •Become more confident, familiar and comfortable with multimedia •Gain new knowledge of cultural aspects through media and film •Gain a fresh perspective through the use of authentic materials.
