	Department	Department of Policy Studies (joint appointment in the Department of Political Science)				
	Homepage	https://sites.google.com/site/hyeonhohahm/				
Course Information	Class No.	TBA	Course Code	PPL1016	Credits	3
	Course Name	Principles of Political Science				
	Lecture Schedule	Mon-Thu /				
	Course Description	This course introduces basic concepts and theories of political science. Students are expected to learn various topics of political science and analytical tools of social science.				
	Course Objective	This course will not only introduce different subfields (Comparative Politics, International Relations, Political Thoughts, and Political Methodology) of political science, but also offer opportunities to apply key concepts/theories/methods to further understand and discuss various topics of contemporary politics and global issues.				
	Prerequisite	There are no formal prerequisites for this course. Key concepts used in class will be introduced and discussed at length as we go along.				
	Materials/Textbooks	<p>There is no required textbook for this course. We will also utilize academic articles, book chapters, and materials from various resources (including news media, podcasts, blogs, etc.).</p> <p>But here is the list of my recommended textbooks you may refer to further study the major fields of political science:</p> <p>Comparative Politics: Clark et al. 2017. Principles of Comparative Politics (3rd Edition). CQ Press</p> <p>International Relations: Frieden et al. 2021. World Politics: Interests, Interactions, Institutions (5th Edition). W. W. Norton & Company</p>
